M.S., Communications 2022

Sean McIntyre, Client Reporting Manager, leads a team of analysts in creating and delivering a full suite of custom client reports using the Firm's *SecuritiesTracker*™.

Sean has over 8 years of experience at Kessler Topaz keeping clients informed about litigation both within the United States and abroad. He ensures that case details are presented to the Firm's clients through case summaries, quarterly reports, and other customized documents. Sean has been with Kessler Topaz since 2015.
