

CLAIMS FILING

# LESS MEANS MORE

## **Fewer Hassles, More Recoveries**

Our Claims Filing program enables clients to easily inventory the settled class actions impacting their portfolio and allows them to easily track how much money they have recovered from securities litigation.

## **Fiduciary Responsibilities Fulfilled**

Our services provide clients with another tool to demonstrate that they are fulfilling their fiduciary duties and protecting their assets.

## **Electronic Payments Enabled**

Kessler Topaz provides electronic payments for class action recoveries received, alleviating administrative burdens and costs associated with receiving paper checks.
